7. Other amendments to accomplish the foregoing.

Jessica Potter gave a digital presentation including wetlands concerns, pedestrian and bike access, road alignment, land use and density, parcel boundary changes, development triggers, external and internal access, trails, development constraints, development standards and master plans.

Commissioners and staff discussed the existing shuttle access to the neighborhood and concerns that an equivalent or upgraded service remain in place in perpetuity.

Dustin Lyman introduced himself to the Commissioners, and gave an introduction to Powdr Corporation.

Graeme Bilenduke gave an update regarding Copper Mountain’s current and upcoming projects.

Mark Falcone, Darla Calloway and Elena Scott gave a comprehensive digital presentation on behalf of the applicants, including history of the PUD, background of the developer, trails and transit connections, open space, and employee housing.

A brief recess was taken at 3:29 p.m.

The meeting resumed at 3:38 p.m.

Commissioner Lawrence requested additional information about stream restoration. Ms. Scott noted the development triggers that would initiate the process.

Commissioner Stiegelmeier questioned how beginner skiers and snowboarders will access the appropriate terrain.

Ms. Scott noted shuttle and trail options that will be available.

Commissioner Davidson requested additional conditions to the resolution noting the requirement of bottomless culverts, to address the requirement of an equivalent or upgraded shuttle service should the Copper Coach service change or be eliminated, and to include the conceptual drawings to indicate the general style and quality of architecture in future planning meetings.

Commissioner Davidson opened the hearing for public comment.

Peter Seigel spoke in support for the project and noted that he believes all of Copper Mountain Resort will benefit from it. He also provided clarity to the Commissioners on the operations and service of the Copper Coach.

Tom Malmgren expressed concerns about changing the PUD and noted the amount of time and care that went into the 2008 PUD change. He also expressed concerns about safety should the resort move or relocate holes on the golf course.

Jerry Seigel expressed safety concerns regarding the proposed access point from CO-91, given the potential for avalanches.

Graeme Bilenduke responded to the public comment regarding avalanche concerns.

Don Reimer noted that the shuttle trail would serve as emergency egress.

Keely Ambrose read the proposed language for the added conditions:

1. Modify section 4.3 F to read: The A Lift Transit Road (Shuttle road) shall accommodate transit, bicycles and pedestrians, with private vehicle traffic prohibited. This road is the primary transportation connection between the A Lift Neighborhood and the rest of the resort. The resort base transit operations shall provide service year-round to the resort public to destinations within the Copper Mountain PUD. If the resort base transit operations are proposed to be removed or reduced, or if the level of service of said transit operations is demonstrated to be inadequate on a regular basis, any potential alternatives shall maintain this primary transportation connection. All such modifications shall be reviewed and approved by the County via the appropriate development review process.
2. The illustrations provided in the Appendix (To Be Determined) are generally reflective of the quality of development that will be submitted at site plan.
3. To add the requirement for an open-bottomed culvert to the design criteria for site development in section 3.1(F)(i)(a).

Mr. Falcone confirmed his agreement with the Commissioner's additional conditions for approval.

The Commissioners noted the extensive design and review process that the applicants, staff and the Colorado Department of Transportation (CDOT) have gone through.

MOTION: A motion was made by Commissioner Lawrence and seconded by Commissioner Stiegelmeier to approve Resolution 2019-49, Copper Mountain Major PUD Amendment (A-Lift Neighborhood) (PLN18-078/ Mike Anderson, Continued Copper LLC) Ten Mile Basin Major PUD Amendment to the Copper Mountain Resort PUD to accomplish the following:
