This map is for display purposes only. Do not use for legal conveyance. Not necessarily accurate by surveying standards, and does not comply with National Mapping Accuracy Standards.

Wetlands delineation data inventory for Summit County, Colorado provided by Whitehorse Associates. Also shown are USFS Wetland polygons derived from CFF (Cartographic Feature File). Wetlands data is not survey accurate and is incomplete in some areas. All or part of the irrigated meadows may or may not be jurisdictional wetlands. To determine jurisdictional wetland boundaries, direct field observation/investigation should be conducted.
