Adopted February 25, 2010  
Planning Commission Resolution # 10-006

Robin Theobald, Chair  
Upper Blue Planning Commission

**Notes:**

1. This map identifies the locations of existing and potential affordable workforce housing sites in the unincorporated areas of the Upper Blue Basin, and does not identify existing or proposed affordable workforce housing sites located within the Towns of Breckenridge or Blue River.
2. General guidelines for development of each property or location identified as a "Potential Affordable Workforce Housing Site" are contained in the Housing Element of this Plan.
3. "Existing Affordable Workforce Housing and Employee Housing Sites" identify either an individual deed-restricted lot (i.e. single family or duplex lot), or a property that contains one or more deed-restricted affordable workforce or employee housing units (i.e. properties containing deed-restricted townhome or condominium units). For more detailed information on the type and number of units on each property, reference the detailed inventory of existing deed-restricted affordable workforce and employee housing contained in the Housing Element of this Plan.
