

Cabin Creek  
Planned Unit Development Designation

This Planned Unit Development Designation, to be known as Cabin Creek is approved this 14th day of July 1986 by the Board of County Commissioners of Summit County, Colorado, hereinafter referred to as the "County" for certain real property located in Summit County and described in attached Exhibit A, hereinafter referred to as the "property". This designation establishes uses permitted on the property, its development plan and phasing, and specific development regulations which must be adhered to by Sam McCleneghan, III who is the owner and developer of the property, and is hereinafter referred to as the "owner/developer". This designation also specifies improvements which must be made and conditions which must be fulfilled in conjunction with this designation by the owner/developer.

A. PERMITTED USES AND DEVELOPMENT PLAN

The primary goal of the Cabin Creek PUD is to develop a secluded residential homesite consistent with the existing rural character of the Gold Hill/Farmers Corner area as provided for in the Farmers Corner Master Plan. Further, it is also the goal of the Cabin Creek PUD to maintain the existing highway corridor and adjacent sage meadows in an undeveloped state.

1. Permitted Uses

One single family dwelling together with accessory uses such as a garage and outdoor storage shed is allowed as shown on the development plan attached as Exhibit "B" hereto. As shown on Exhibit B, no structures or development other than fencing, driveway and utilities shall be allowed west of the Blue River with the exception that an outdoor storage building which is screened from the highway may be allowed subject to site plan approval by the County Planning Department.

Building heights shall not exceed 35 feet with "height" as defined in the Summit County Building Code.

2. Parking

No parking shall be allowed within any County right-of-way, private road, common driveway, hammerhead turnaround or cul de sac. Two off road parking spaces shall be provided for the dwelling unit.

3. Open Space

As shown on Exhibit B, the area west of the Blue River shall remain as undisturbed open space with the exception of the improvements as described in paragraph 1 above. No other substantial alteration of vegetation, grading or other site disturbance shall occur west of the Blue River.

## B. UTILITIES AND IMPROVEMENTS

### 1. Water System

Water shall be provided by an on site well subject to approval by the State Engineer.

### 2. Sewer System

Sewer service shall be provided by an on site septic system subject to approval by the Summit County Environmental Health Department.

### 3. Access

Access shall be coordinated with the adjoining property to the south as long as the land use on that property is a permitted use in the A-1 Agricultural zone or is compatible in character and scale with the Cabin Creek PUD and will not generate a level of traffic which will adversely affect the Cabin Creek PUD.

Coordinated access shall consist of a common access easement connecting the properties to Highway 9 as shown conceptually on Exhibit B. The developer shall only be required to build a driveway within this easement. Any required upgrading of the common access in the future shall be the responsibility of the property owner to the south.

A private driveway shall connect the Cabin Creek homesite to the common access drive. A bridge across the Blue River shall be required. All driveways and the bridge shall meet the requirements of the County and the Red, White and Blue Fire District. Additionally, the bridge shall be constructed to withstand a minimum 25 year flood.

### 4. Utilities

All utilities (electricity, phone and cable) shall be installed underground within the property.

### 5. Fire Protection

Fire protection will be provided by the Red, White and Blue Fire District. The development of the property shall meet all fire protection standards of the district.

## C. GENERAL PROVISIONS

### 1. Breach of Provisions of PUD Designation

If at any time any provision or requirement stated in this designation has been breached by the owner/developer, the County may withhold approval of any or all site plans or plat maps, or the issuance of any

C. GENERAL PROVISIONS (continued)

or all building permits applied for on the property, until such breach has been remedied; provided, however, that the County shall not take any affirmative action on account of such breach until it shall have first notified the owner/developer in writing and afforded the owner/developer a reasonable opportunity to remedy the same.

2. Binding Effect

This planned unit development designation shall run with the land and be binding upon the owner/developer, their respective successors, representatives and assigns, and all persons who may hereafter acquire an interest in the property or any part thereof, with the exception that provisions of this designation may be modified through an amendment in accordance with the procedure stated in C.3. This designation shall be recorded in order to put prospective purchasers or other interested persons on notice as to the terms contained herein.

3. Amendments

Amendments to the provisions of this planned unit development designation shall be reviewed and acted upon in the same manner as any rezoning application, subject to the County's procedures for zoning amendments and to the requirement for findings under the Planned Unit Development Act of 1972 at C.R.S. 24-67-106(3)(b)[1973 ed.]. Action in any proposed amendment shall be taken by the Summit County Board of County Commissioners, after conducting a public hearing for which notice has been published at least 30 days prior in a newspaper of general circulation and mailed to all property owners within and abutting this planned unit development.

4. Notices

All notices required by this designation shall be in writing and shall be either hand delivered or sent by certified mail, return receipt requested, postage prepaid, as follows:

Notice to County:

Board of County Commissioners  
P. O. Box 68  
Breckenridge, CO 80424

Notice to Owner/Developer:

Sam McCleneghan, III  
Box 1012  
Breckenridge, CO 80424

5. Entire Designation

This designation contains all provisions and requirements incumbent upon the owner/developer and the County relative to the Cabin Creek Planned Unit Development, and nothing contained herein shall be construed as waiving any requirements of the County's Zoning and Subdivision Regulations, Common Review Procedures, or other regulations otherwise applicable to the development of the property.

IN WITNESS WHEREOF, the County and the owner/developer have executed this designation as of the date first above written.
