## RELATED AGENCIES

As referenced in previous sections, various agencies throughout the county are involved in the building permit process. The role of these agencies depends on the subdivision or town in which the project is located and the type of project being constructed. Principal agencies for the building permit process are:

Summit County Building Inspection Department  
0037 Peak One Drive  
Frisco, CO 80443 (970) 668-3170

Town of Dillon  
275 Lake Dillon Dr  
Dillon, CO (970) 468-2403

The following is a list of related agencies involved in the building permit process. The number at the left of each agency also appears under appropriate columns in the Building Inspection Department Matrix to identify subdivisions in which they have responsibility or provide service.
