

Single-Stream (Curbside) Recycling Guidelines

Single-Stream Recycling

Items accepted together:

#1 - #7 Plastic Bottles & Tubs

Aluminum & Tin Cans

Newspaper, office paper, magazines, cardboard & paperboard

Dairy & Juice Containers

No Glass in Single-Stream Recycling

Why?

Glass gets crushed and contaminates other recycled items.

Glass can't be recycled after the single-stream process due to breakage.

Summit County Recycling Drop-Off Centers

Drop-Off Center Recycling Guidelines

Sorting Required

#1 Plastic Bottles

#2 Plastic Bottles

Aluminium & Tin Cans

Mixed Paper, Newspaper & Magazines

Cardboard & Paperboard

Mixed Glass

Clear Glass

Bottle-to-Bottle Recycling

Source-separated recycling has participants sort items into separate containers.

Glass collected at drop-off centers goes directly to Rocky Mtn. Bottling Co. in Golden to be made into new glass bottles.

Source-separated glass is true "bottle-to-bottle" recycling.
